

DISC GOLF

REGULATIONS

TIME

Disc golf tournament will take place on May 19th & May 20th, 2023.

PLACE

Competition will be held in Terminal Oil Annikoru Disc Golf Park powered by DiscSport.

REGISTRATION

According to SELL 2023 General Regulations.

PARTICIPANTS

Athletes who meet the requirements of the SELL 2023 Tartu Games general guidelines can participate. The competition is individual. A maximum of 90 athletes can participate.

SYSTEM OF COMPETITION

Athletes are competing in three divisions:

- Mixed Amateur ≥ 935
- Mixed Amateur < 935
- FPO

Two rounds (2 x 18 baskets) with shotgun start are played. The groups for the first round are formed randomly. The groups of the final round are formed within the division based on previous round results. In case of tied results, basket results are considered when dividing into groups.

Scorekeeping via dgmtrx/paper

In case of tied results in the overall standings, the places will be determined by sudden death. Competitors restart play from the first basket until a difference in the results occurs. If the ranking is not clear with three baskets, CTP (closest to pin) is held on the basket chosen by the tournament director (TD), i.e. the player whose disc stops closest to the basket wins.

The competition is subject to PDGA rules. All protests will be resolved in accordance with the SELL 2023 General Guidelines and PDGA rules where applicable.
